The Summery Girl

A quiet resort of the summery sort
Is where I am longing to be,
Where girls with bright glances
Are seeking romances,
And cool woods would beckon
to me;
Where roaming and boating and
swimming and floating
Formality put out of curl,
And soft is the heart of the
summery sort
Of summer resort girl.
I've tried every jolly and dan-
gerous folly
The prodigal city affords;
I've toyed to satiety with
each variety
Of the bait served us on words
And none of it thrills me—
with ennui it fills me—
And yet I'd get all in a whirl
Could I ramble apart at some
summer resort
With a summery sort of girl.
Oh, dull may things grow at the
garden or show
And unspeakably dull at the
club!
You may note streaks of gray,
feel you're getting passe,
And sigh you're no longer a
cub;
But just take to the woods, run
away from your moods,
And you'll soon frisk about
like a squirrel
When a strolling you start at a
summer resort
With a summery sort of a girl.
—Lee Shippey in Judge.

Rheumatism

Just put a few drops of Sloan's
on the painful spot and the pain
stops. It is really wonderful
how quickly Sloan's acts. No
need to rub it in—laid on lightly
it penetrates to the bone and
brings relief at once. Kills
rheumatic pain instantly.

Mr. James E. Alexander, of North
Hampden, Me., writes: "Many strains
in my back as a hipe brought on rheu-
matism in the acute stage. I had it so
bad one night when sitting in my chair,
that I had to jump on my feet to get
relief. I at once applied your Liniment
to the affected part and in less than ten
minutes it was perfectly easy. I think
it is the best of all Liniments I have
ever used."

Some Strength

Dr. Lyman Abbott, anti-suf-
fragist, said at a tea in New
York:

"They call woman the weaker
sex, yet I have known more than
one woman to bend a man's will
during life, and break it after
his death."

WHY YOU ARE NERVOUS

The nervous system is the alarm system
of the human body.
In perfect health we hardly realize that
we have a network of nerves, but when
health is ebbing, when strength is declin-
ing, the same nervous system gives the
alarm in headaches, tiredness, dreamful
sleep, irritability and unless corrected,
leads straight to a breakdown.
To correct nervousness, Scott's Emul-
sion is exactly what you should take; its
rich nutriment gets into the blood and
rich blood feeds the tiny nerve-cells while
the whole system responds to its refresh-
ing tonic force. It is free from alcohol.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle
of Danderine right now—Also
stops itching scalp.

Thin, brittle, colorless and scraggy
hair is mute evidence of a neglected
scalp; of dandruff—that awful scour.
There is nothing so destructive to
the hair as dandruff. It robs the hair
of its lustre, its strength and its very
life; eventually producing a feverish-
ness and itching of the scalp, which
if not remedied causes the hair roots
to shrink, loosen and die—then the
hair falls out fast. A little Danderine
tonight—now—any time—will surely
save your hair.

Get a 25 cent bottle of Knowlton's
Danderine from any drug store. You
surely can have beautiful hair and lots
of it if you will just try a little Dan-
derine. Save your hair! Try it!

MRS. THOMSON TELLS WOMEN

How She Was Helped During
Change of Life by Lydia E.
Pinkham's Vegetable
Compound.

Philadelphia, Pa.—"I am just 52 years
of age and during Change of Life I suf-
fered for six years
terribly. I tried sev-
eral doctors but none
seemed to give me
any relief. Every
month the pains were
intense in both sides,
and made me so
weak that I had to
go to bed. At last
a friend recom-
mended Lydia E. Pin-
kham's Vegetable
Compound to me and I tried it at once
and found much relief. After that I
had no pains at all and could do my
housework and shopping the same
as always. For years I have praised
Lydia E. Pinkham's Vegetable Com-
pound for what it has done for me,
and shall always recommend it as a wo-
man's friend. You are at liberty to use
my letter in any way." —Mrs. Thomson,
649 W. Russell St., Philadelphia, Pa.

Change of Life is one of the most
critical periods of a woman's existence.
Women everywhere should remember
that there is no other remedy known to
carry women so successfully through
this trying period as Lydia E. Pinkham's
Vegetable Compound.

If you want special advice
write to Lydia E. Pinkham Med-
icine Co. (confidential), Lynn,
